Definitions

Montana License Provider: Outlet that sells FWP hunting and fishing licenses and state park passports. Typically sporting goods stores, hardware stores, tackle shops, etc.

ALS - Automated Licensing System

- Montana hunting, fishing and other recreational licenses are issued via an automated licensing system (ALS).
- Once you acquire a license through ALS, you will be assigned a lifetime “ALS number”. The ALS number is your birth date plus a random number issued by the automated system. Your ALS number will printed at the top of your license.
- **If you do not have an ALS number, you MUST provide your date-of-birth and social security number.**
- Montana’s license year is March 1 through February of the following year. Even though you may have a lifetime ALS number, EACH YEAR a person must purchase a conservation license to be authorized to purchase any fishing or hunting licenses.

Attention Bowhunters

To purchase a Bow & Arrow license, all bowhunters must:

- provide a copy of a National Bowhunter Education Foundation (NBEF) certificate OR provide any prior year bowhunting/archery stamp, tag, permit or license from any state or province.
- all bowhunters born after January 1, 1985 must show proof of also completing a Hunter Education program before purchasing any hunting license.

Hunting Access Enhancement Fee

- The Montana Legislature created this fee to help maintain and enhance hunting access to public and private lands statewide through programs like Block Management and other special hunting access projects.
- This is an annual fee and will be charged at the time the hunter purchases his/her **first** hunting license, including upland and migratory bird, of the season.

New Hunter Education Requirement

- Legislation is now in effect in Montana that requires anyone born after January 1, 1985 to provide a copy of his or her Hunter Education Certificate in order to purchase any hunting license in Montana.

State Lands

- The State Land Recreational Use License is included in the Conservation License. Therefore, persons who are licensed to hunt, fish, or trap are **not** required to obtain a recreational use license for use of legally accessible state trust land for hunting, fishing, and trapping purposes.

Mailing Lists

Montana Fish, Wildlife & Parks receives requests for mailing lists.
**Please note, even if you chose no, under state law the department is required to allow individuals who wish to compile their own mailing list access to department records including your name, address, gender, residency status, license type, district applied for and whether you were successful.
